Disclosure Chart	If my price can change, how will it change and by how much?	The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.	
	What other fees may I be charged?	Please see the "Non-Recurring Fees" section of the Terms of Service. These fees are not included in the recurring charges.	
	Is this a pre-pay or pay in advance product?	No	
	Does New Power Texas purchase excess distributed renewable	No	
	Renewable Content	This product is 21.4% renewable	
	The statewide average for renewable content is:	33.3%
